Residential Insulated Siding Program

Participating Contractors List

SEPTEMBER 1, 2008

Financing is available for SMUD customers installing qualified equipment by a licensed contractor.

Contractors on this list are independent business owners who have agreed to install equipment according to SMUD specifications.

SMUD does not endorse any specific contractor, nor does SMUD guarantee the quality of a contractor's work or provide any warranty on the work or products purchased from the contractor.

SMUD encourages customers to:

- **Request bids from more than one contractor when considering equipment replacement.**
- **Ask potential contractors for references from prior customers and check them.**
- **Visit the State of California Contractor's State License Board website (www.cslb.ca.gov) to verify that each contractor you are considering is properly licensed.**

If you ever have a concern about your equipment:

- **Check your equipment and installation warranty information.**
- **Call the installing contractor, or any dealer qualified to work on your brand of equipment.**
